FEBRUARY 2008 NEWSLETTER

MY HERO

2008 New Release Rose from Swanes, Dural.

PRESIDENT'S REPORT;

Hello everyone and a happy new year to you all.

Our membership is now over 100 and looking the best it has for some time.

The rain was very welcome and this Summer so far, is not as hot as we are accustomed to.

As in the past, Angela puts together a great schedule for all the members to be a part of. Our big event, the annual show is being brought forward to September this year.

One thing we, the Gold Coast Rose Society must consider is producing our own judges. We are reliant upon judges from Toowoomba, QRS and Roselovers to successfully manage our annual show. These judges travel a long way to this show and should some of them for whatever reason be unavailable then we could be in a pickle. Also we need judges at our monthly show should Sandy not be available.

I will be seeking nominations from anyone who wants to be a judge and all that is required is that you

are trained locally and then assessed at QRS after a nominated period. Please give it some thought.

Looking forward to having a great year with you all.

Terry Burke
PRESIDENT
