'LOVE IN'

2008 New Release Rose
Swanes Nursery, Dural NSW

PRESIDENT'S REPORT;

The Autumn shows are all due around the beginning of May and please Keep in mind the trip to 'Roselovers' for their Autumn Show. We need to fill the bus and the Society has elected to subsidise the costs a little. We are negotiating a lunch deal with 'Roselovers' to make it a great day. I will let you know on that one, one way or the other.

I would love to have all novice exhibitors take advantage of the monthly voucher offered by 'Birchgrove Nursery.' The most successful at our monthly shows gets a voucher for \$20. How easy is that?

Keep in mind that we need rose Judges from our own Society.

'til next time

Terry Burke
PRESIDENT
